- html& css
- php
- laravel
- java scrip
- react
- temam manngment
- word processors
- communicationc skills

EDUCATION

.I AM AN ACCOUNTING STUDENT AT AL-BALQA APPLIED UNIVERSITY, AND I ALSO STUDIED FOR A YEAR AT THE HASHEMITE UNIVERSITY IN ECONOMICS, AND I AM LEARNING PROGRAMMING WITH THE ORANGE ACADEMY FOR PROGRAMMING BECAUSE OF MY PREFERENCE FOR PROGRAMMING .

EXPERIENCE

I am training with Orange Programming, and I have done many individual and group projects, and I have a high evaluation on them. I was chosen from among the many students to join this academy, and I have experience in programming languages such as php, laravel ,html&css, react At the time I learned many skills, such as working with others in a good way, dealing with problems and solving them, and I am working on the biggest project for me, which is the final project and its idea for insurance companies.
